Old Joseph's got the meanest wife
That lives, without a doubt;
She takes away his spes so that
He cannot wear them out.

Columbia Jester.

If you have an item of news, please
call up The Ledger, Telephone 33, and let
us have it.

Miss Olive Salmon has closed her school at
South Ripley.

Regular meeting of the City Council at the
usual hour this evening.

Clyde McCrane, formerly of Paris, died in
Chicago recently, aged 40.

Mr. Martin Hanley is critically ill with paralysis
at his home in Market street.

Presiding Elder F. W. Harrop preached yesterday
morning and evening at the M. E. Church.

Mr. George R. Poage and Miss Nina Mitchell
of Brooksville married a day or so since at
Covington.

The LEDGER was misinformed about Mr. Duncan
being out on the balcony at the St. Charles
Hotel. It was his attendant.

Charles Hall of Aberdeen had one of his
hands injured while at work at the H. H. Col-
lins Company sawmill a few days ago.

Mrs. L. V. Davis will all this week show
correct styles in Military—French and New
York Patterns, Ready-to-Wear, and all latest
novelties. Regular Easter sale.

The annual inspection of Maysville Com-
mandery No. 10, Knights Templar, will be held
at the Asylum this evening by Eminent Sir
John G. Cyaner, Grand Warder.

M. B. Bradley broke the record raising tobacco
in Robertson county last year. On
twelve acres he had 18,000 pounds, an average
of 1,500 pounds to the acre, which he sold at
\$c.

Miss Elise Shackleford, who has been stenographer in the employ of the Trinter-Kenny Sales Company at Lexington, has resigned to take the position as stenographer for Secretary Paul Justice of the Elks Fair of that city.

Attorney General Pratt holds that the co-
operative burial associations which have been
organized recently in a number of Kentucky
counties do not, under the provisions of the
statutes, come under control of the State Insurance
Department.

Fred Weaver, a former Maysville man, an
employee of the Stewart Iron Works, Cincinnati,
fell and broke his leg. He was taken to
his home in Covington, where Dr. Heflin,
another former Mayfield man, set the broken
member. Mayfield men are everywhere.

After entering upon the twenty-first year of
faithful service to that institution, Mr. John
Duley on Saturday resigned the Tellership of
the State National Bank. He has made no
plans for the future, beyond enjoying a few
weeks of rest and recreation. Mr. Duley is
too well and too favorably known, however, to
remain long "out of the harness," and it is
safe to say his energetic services will soon
command a desirable position.

Colonel William Lightfoot Viesscher, the
Western humorist and lecturer, has signed to
appear in Opie Read's character-comedy, "The
Starbucks," announced for April 13th at Daly's
Theater, New York. He will create the Negro
character of Kintchin, and as he is recognized
as one of the best Negro dialect story tellers
he should make a hit. The Colonel's friends in
this city are sure he will be "it."

BADLY BEATEN UP.

John Paul the Victim of An Assault
Saturday Morning.

John Paul was terribly used up early Saturday
morning at Third and Lexington streets.

According to his story, he had made ar-
rangements with his brother-in-law, Boone
Snapp, to go to Covington in the enginee on
which Snapp fires, where he had secured a po-
sition on a traction line.

The train was due at the Coal Docks at
12:30 a.m., but was late. He left home about
12 o'clock, and when crossing Lexington street
he noticed three or four men standing near the
Amazon Hall.

He had gone but a few paces when some-
thing struck him in the back of the head.
Turning partly around, he saw "Bushwhack"
Williams with his arm drawn back about to
strike him, and heard him say, "We'll kill the
son of bitch now," striking Paul a blow near
the right eye, which knocked him senseless.

He doesn't remember anything else until the
surgeon was sewing up his wounds at his home
at 3 o'clock.

Some one found him lying at the Southwest
corner of the Hall Plow Company's fence, in a
pool of blood, and took him home.

His head and face are beaten almost into
a jelly. There isn't a spot on his head or
face that is not either cut or bruised.

Paul thinks Williams used a pair of brass
knucks, while Williams says he knows nothing
of the affair.

The latter was arrested Saturday, however,
and placed in jail.

Wetzel for Headlight Oil, Gasoline.
Floyd Sly, who last week killed Wiley Shope
near Kinniconick, as detailed in THE LEDGER,
is under arrest, his bond being fixed at \$500.

The funeral of the late Thomas A. Garrigan
took place in Cincinnati Saturday morning.
Mr. J. D. Dye of this city was one of the
 pallbearers.

Grand Patriarch J. Barber Russell, assisted
by several Patriarchs from this city, will insti-
tute an Encampment of Oddfellows at Tolles-
boro on Tuesday evening, April 14th.

Heavy winds Saturday played havoc in many
places. At Portsmouth the steamer Queen City
was blown on the shore and badly damaged,
but none of the passengers were hurt. The front
of the Legler Hotel was blown in and Mrs.
Ella McConnell was probably fatally injured
by being blown through the street.

Thomas Tackett, Blaine Cullinan and Alonso
Markin are in jail at Greenup to pay a fine of
\$25 and costs, amounting to about \$45, assessed
by Magistrate Clabe C. Jones, for disturbing
religious worship at Flint Woods. The arrests
were caused by the Mutual Protective Society,
better known as the "Mules."

Mrs. Jemima Bell, the aged wife of the
veteran drayman, Joe Bell, and mother of Ben
Bell, died at Portsmouth Friday morning. In
early life Mrs. Bell was a slave in Mason County.
Before the War she was married to Mr. Bell.
They went to Portsmouth in 1865, and have
lived there ever since, honored and respected
by all who knew them.

MARRIAGES.
MORRIS—FRAME.

Mr. John W. Morris, aged 29, of Plumville,
and Miss Ruth Frame, aged 29, of Rectorville,
were married in this city Saturday at the home
of Miss Anna King, with ceremony by Judge
Charles D. Newell.

PEASANTS.
MARTIN MACKAY.

Mr. Martin Mackay died early yesterday morn-
ing at his home near Moransburg.
He was single, 25 years old, and had been
suffering for some time from Bright's disease.

The funeral will occur at 9 o'clock tomor-
row morning from St. Patrick's Church, the
Rev. Father Jones, officiating.
Interment at Washington.

TWO NEW CASES!

**And One Suspect That May Fully
Develop Smallpox Today.**

Since THE LEDGER's report of Saturday two
new cases have developed—

Allen A. Edmonds of 935 East Second,
whose vaccination resulted in a well-defined
case of varioloid.

Miss Rosa Wood, who lives in East Third
near Carmel street.

It is thought, also, that John W. Farley of
East Fourth street, who was the undertaker
for Mrs. Ellis at Aberdeen some ten days ago,
may develop a case, as this morning he has all
the symptoms.

GRAND ARMY NOTES.

**What Is Doing Among the Boys
Who Wore the Blue.**

There was a good attendance at the meet-
ing Saturday evening of Joseph Heiser Post,
G. A. R., and the "boys" are much interested
in the "revival" now going on.

Owing to his removal from the city, Adjutant
George M. Clinger resigned, having held
the office for many years, and George W.
Chambers, who was Adjutant twenty years
ago, was appointed by Commander Davis in his
stead.

Dr. A. N. Ellis was elected Surgeon,
And Jacob Miller, Thomas M. Luman and
George N. Flarding were elected Trustees.

Rev. Dr. John Barbour was chosen to
deliver the Memorial Sermon at the First Pres-
byterian Church, Sunday morning, May 24th.

Chaplain Jacob Miller announced that the
next meeting of the Post would fall on May
2d, which was his 84th birthday, when he
hoped to see all his friends present—just as
though there was a hall in Kentucky big
enough to hold them.

He doesn't remember anything else until the
surgeon was sewing up his wounds at his home
at 3 o'clock.

Some one found him lying at the Southwest
corner of the Hall Plow Company's fence, in a
pool of blood, and took him home.

His head and face are beaten almost into
a jelly. There isn't a spot on his head or
face that is not either cut or bruised.

Paul thinks Williams used a pair of brass
knucks, while Williams says he knows nothing
of the affair.

The latter was arrested Saturday, however,
and placed in jail.

THAT'S THE LEDGER.

THE REV. T. DeWitt Talmage says—
"A new paper whose columns over-
flow with the advertisements of busi-
ness men has more influence in at-
tracting attention to and building up a
city than any other, and it can be em-
ployed. People go where
there is business. Capital and labor
will locate where there is enterprising
and strong to build up a town as newspaper
well patronized, and this power
should be appreciated."

Cartmell extracts teeth without pain.
Newport may be selected as the location for
the new K. of P. Widows and Orphans Home.

**We are not the only people who sell
monuments; but this is our home and we do
good work, so ask your patronage.**

MURRAY & THOMAS.

**Go to O. H. P. Thomas & Co., 120 and
122 Market street, Maysville, Ky., for "Old
Timo" Bourbon and "Old Maysville Club" Ryd.
Sold direct from the Distillery by the quart,
gallon or barrel. Goods guaranteed.**

**The Chesapeake and Ohio Railway appears
to be at present earning a trifle more than 2½
per cent. on its stock. In the year ended June
30 last the company earned nearly 3½ per cent.
and the loss of \$674,587 in net earnings for
eight months of the current fiscal year equals
something less than 1½ per cent., which indi-
cates a present earning capacity of 2½ per cent.**

**Ray's Cough Syrup will cure, or money
refunded. 25 cents.**

**The total subscription so far to the \$100,000
Kentucky World's Fair fund amounts to \$17,-
713. Ashland has contributed over \$500.**

THE BEE HIVE!

2,124 PAIRS!

We often thought, while watching the feminine throngs about our place, What would the drygoods business amount to if it wasn't for the ladies? Equally pertinent, however, is the natural retort, What would the ladies do if it wasn't for the drygoods men? We do our share in the mutual benefit business by opening up this week 2,124 pairs of

BLACK CAT HOSE!

FOR SPRING AND SUMMER USE.

Did you ever put your boys, your girls or even your own foot into a covering that gave you as much wear as the Black Cat Stocking?

We know you didn't. If you have never worn a pair, step into a pair now. It will be the best step you have ever taken. **25c** to all alike.

THE LEDGER'S judgment is that after today's municipal election in Cincinnati Mr. INGALLS will hardly be suitable "timber" for a crostie, much less for the Presidency.

SINCE she became a Republican state, wonderful changes have been wrought in West Virginia. Railways have been built, mines opened, factories established, towns and cities have sprung up everywhere; and now the hens at Clifton Forge are laying eggs 7% x 8% inches in diameter. Republicanism always means progression.

THE demand for locomotives is increasing, all the great systems being short of motive power. The American Locomotive Company now has 16,000 men employed in its eight plants, and has orders ahead for 600 locomotives. The statement of President CALLAWAY shows that the Company has expended \$8,000,000 since 1901 on shop improvements. The earnings for the past nine months were \$23,956,345. The employees are working night and day to get out the orders now on hand.

COLONEL JACK CHINN was leading the strenuous life in Cincinnati for a few days. First, he attempted to annihilate Attorney THEODORE HALLAM—and failed. Then, a couple of Constables made a raid on his room in the Gibson House, in an effort to collect a bill of \$72.25 which the Colonel owed a Cincinnati firm. The Colonel was a-bed, but the officers managed to secure his machine gun, and they tore his nighties in restraining him from making bologna sausage of them with his Bowie-knife. The next breeze that sweeps across the Ohio may bear upon its wings the news that the Colonel is walking down Fourth street waving the scalps of the entire police force high in the air.

Dietrich Bros. can supply your wants for Easter flowers. Their spring announcement appears in another place, and a visit to their hot-houses shows the variety and superior growth of their plants.

Mrs. Thomas Gilmore of Richmond, Va., Misses Anna and Kate Burns, Miss Lydia Manion, Mrs. M. Finegan, Mr. and Mrs. E. W. Fitzgerald, Mr. and Mrs. James O'Grady, Miss Alice Shea, Miss Mary O'Hare, Mr. J. Kuhlman, all of Covington, and Mr. John Burns of Chicago accompanied the remains of Mr. Thomas Burns from Covington to this county for interment.

THE PRISONER OF ZENDA.

Of all the romantic dramas extant, possibly none has enjoyed the continuous prosperity or favorable criticism that has ever been accorded to "The Prisoner of Zenda," which comes to Washington Opera-house Monday, April 13. A carefully chosen cast, including Mr. T. H. Alexander, who is well known to Maysilians, has been secured, and a mass of new scenery supplied for the production.

The average watch represents but twelve hours of human labor.

Mr. Fred Bunnell, 60 years of age, died suddenly of heart disease at his home at Braxton, Mercer county.

Prof. Nathaniel Schmidt of Cornell University has been appointed Director of the American School of Archaeology at Jerusalem.

Judge A. B. Hagner of the Supreme Court of the District of Columbia will retire on May 31 on full pay, having reached the age limit.

At Eatonton, Ga., Mrs. John T. Griffin and her brother, Samuel Knowles, were held for trial, charged with the murder of the woman's husband.

As a result of a meeting of the National organization of flint glass bottle manufacturers, it is said that prices of prescription bottles will be advanced.

Owing to the alleged existence of Texas fever, Governor Bailey of Kansas has declared a quarantine against all cattle South of the Kansas state line.

Former Assistant Secretary of the Treasury Spaulding has been designated to prepare and secure the enforcement of customs regulations covering foreign exhibits at the St. Louis Exposition.

United States Senator James P. Clarke and Congressman S. Brandt of Arkansas engaged in a street fight in front of a hotel in Little Rock. They were separated after several blows had been exchanged.

The smallest baby alive in Indiana is the child of Mr. and Mrs. John Mitchell of Camden, Ind. The child is now six weeks old and measures exactly 10½ inches from the top of its head to the tip of its tiny feet. It weighs but four ounces over a pound. The mother died, but the child is healthy and gives promise of living. Its delicate hands are not any larger than an ordinary man's thumb, and the midget could easily be placed in a sugar bowl.

An old black bear kept in a Zoo at Dallas, Tex., became violent a few days ago and tried to tear itself to pieces and beat its brains out against the walls and bars of its den. The animal had refused to eat for two months. Finally it jumped into the water tank and held its head under until drowned. It was a clear case of suicide. About two years ago the bear killed its cubs and devoured them. A year later it drowned its mate in the tank.

Russia, hitherto a pig-iron importing country, exported to America this year 32,000 tons of pig iron; Germany sent her immense quantities of pig iron and manufactured steel; even France contributed supplies, and Cleveland, West coast hematite, and Scottish pigs have all there advances and their present stability entirely to America. To Germany this unexpected demand must have proved an unmixed blessing, rescuing her from what was fast approaching a commercial crisis, says The Edinburgh Seaman.

is the one conducted by Chas. A. Walther. There it is where you find a line of samples that represent the best foreign and domestic fabrics of the greatest variety to select from. There it is where the absolute correct fashions are found and transferred to you in down-to-the-minute garments at down-to-the-minute prices. Think of it.

A TIP-TOP, MADE-TO-MEASURE SUIT OR FINE OVERCOAT FOR \$15.00

'Tis true these garments are made in Cincinnati, but by the best popularly-priced tailoring concern in this country. Those would-be tailors who tell you that they are not made good because they are not made here are like the drowning man grasping at a straw—they try to divert your attention from their own defective and inferior make. Don't be deceived by them. All garments turned over to you at my hands must fit, must excel, no matter where made.

How to Ward Off an Attack of Rheumatism.

"For years when springtime came on and I went into gardening, I was sure to have an attack of rheumatism and every attack was more severe than the preceding one," says Josie McDonald, of Man, Logan county, W. Va. "I tried everything with no relief whatever, until I purchased a bottle of Chamberlain's Pain Balm, and the first application gave me ease, and before the first bottle was used I felt like a new person. Now I feel that I am cured, but I always keep a bottle of Chamberlain's Pain Balm in the house, and when I feel any symptoms of a return I soon drive it away with one or two applications of this balm.
